Message from the Board of Directors of Feed Our Future

The Feed Our Future Board of Directors remain focused on confronting the national issue of hunger and providing a tangible safety net and solution that empowers many of our Islands' children and provides relief to struggling families.

Feed Our Future is working to reduce hunger in Cayman's school so that hunger does not become an obstacle to the child's development and learning.

Feed Our Future was founded in 2011 and is a registered Non-Profit organisation (NPO) in the Cayman Islands.

Feed Our Future is a 100% volunteer run NPO.

"To believe in a child is to believe in the future"

Facts

Childhood is a critical period in determining the development of an individual's health into adolescence and adulthood. Poor dietary habits that begin in childhood take years to develop into symptoms of disease such as obesity, heart dysfunction, diabetes and cancer.

Health: Children who face hunger are more susceptible to obesity and its harmful consequences.

Academic: Lack of enough nutritious food impairs a child's ability to concentrate and perform well in school.

Emotional and Social Well-being: Children with poor nutrition have significantly higher levels of behavioral, emotional, and academic problems and can be more aggressive and anxious.

Undernourished children lack things that make healthy children successful.

> *Not every child has an equal talent, or an equal ability, or equal motivation, but they should have the equal right to develop their talent and their ability and their motivation, to make something of themselves.*

Our Work

At Feed Our Future we work hard to make every donation dollar count. These are examples of our donors' money at work.

200+ children at risk of hunger offered reliable access to food annually through school meals and snacks across the school year offering up a lifeline and providing a sense of relief to struggling families.

Provision of healthy snacks and breakfast items to school counselors for their pantries.

Workshops teaching skills needed to make healthy, delicious and affordable meals at home.

Access to the help of our volunteer Dietician as proper nutrition is key to our mission.

Healthy food offerings during the summer months through our annual summer food programme.

Investment in educational enrichment exposing children to a broad range of learning opportunities.

"We have a responsibility to ourselves and our children to be healthy and to invest in healthy relationships"

What's New!

You Tube:

Feed Our Future Cayman with The Cayman Masonic Children's Foundation

https://www.youtube.com/watch?v=l21xW249qsk&feature=youtu.be

Cayman Masonic Children's Foundation's (CMCF) confidence in our work in the community stems back to our beginnings. Their generous annual commitment and stipend is vital to the stability of our programmes and ability to successfully fulfill our mission.

We are delighted to share this link to a new video collaboration initiated and developed by the CMCF in further support of our work and partnership.

Wellness Day

- This fiscal year we introduced a Wellness Day – Wellness 101 - in support of the children and families we serve and those in the community. This amazing event, free to the public offered so much! Themes included:
- Interactive cooking demonstrations by Food Revolution.
- Health Screenings on offer by the Cayman Heart Fund.
- Learning stations (dangers of sugars) with Dietitian Chad Collins.
- Farmer's station and local produce showcase with Farmer Clarence.
- Kids Crossfit and Zumba with School of Fitness.

"Let us raise kids that will not have to recover from their childhood"

Oh the Places We Can Go!

Feed Our Future has identified a new goal that is to extend our education extra initiative with the offering of a vocational scholarship – the Education Extra Scholarship - intended to afford schooling which will lead to certification and a career path for a promising student on our school meal roster in particular those nearing completion of secondary schooling. We hope to implement this initiative by mid 2020.

Please contact us should your organization be interested in partnering on any of the above new initiatives.

> *What most people do not realise is that food is not just calories. It is information. It actually contains messages that communicate to every cell in the body.*

Our Signatures!

FYE Jun 30, 2019

Thanks for supporting our signature events.

Island Roast!

Our popular beach event raises a significant sum for our school meal programme each year and is fueled by an impressive culinary team offering up scrumptious fare from our annual sponsors *Mise en Place, The Ritz Carlton Grand Cayman, Andiamo, Smokin Bros, Catch, Aqua, Avecita, Agave Grill, Calypso Grill, Saucha, Vivo and ABS.*
The amazing volunteer teams from The Ritz Carlton Grand Cayman, Mise en Place, and Camana Bay helped to pull the 2018 event together.

A Dream Team, Century Ride

Annually a generous community of cyclists take to the road in support of Cayman's children offering our school meal programme a healthy boost!
2019 sponsors for this event include the Ristorante Pappagallo, Island Supply, Fosters, Mike's Ice, GNC, SMP Partners (Cayman), Camana Bay and Massive Equipment Rentals. Appreciation also goes to the dedicated volunteers from the Cayman Islands Red Cross.

> *Health is not just what you are eating. It is also what you are thinking and saying.*

Partnerships!

We appreciate the creative means of community support we are continually offered. Below we highlight a few of our regulars and new favorites.

Rotaract's Ready, Set, Snack. Annually snack drives are coordinated on our behalf in support of the schools that we work with ensuring our counselors a steady supply of snack and food items for those that turn up hungry and wanting each day.

Trick or Treat to support the hungry. Each Fall the **Ruddick** family of George Town hold a Halloween food drive encouraging trick or treaters passing through their neigbourhood to donate a food item.

Kombucha. Healthy for you, helpful to hungry kids. The seasonal campaign led by **Saucha** Conscious Living's Britta Bush raises awareness and a nice sum for Feed Our Future's school meal programmes.

Treat yourself and a child. Across the year **Polished** Grand Cayman offers clients a discount on their pedicure service in exchange for a small donation towards a selected charity. Feed Our Future has gratefully featured on two occasions!

In the spirit of Ramadan where Muslims fast from sunrise to sunset the **Islamic Society of the Cayman Islands** choose once again to make a donation at the mosque's open house in support of Feed Our Future's fight against hunger in the community.

Gingerbread Houses. Each holiday season gorgeous gingerbread houses made by The Mise en Place Bake Shop are sold with 100% of the proceeds generously benefiting Feed Our Future.

The ladies and gentlemen of Cayman Chapter of the **Whisky Wisemen Society** founded on a love for whisky and the desire to share that with a like-minded community continue to adopt Feed Our Future as their benefiting charity.

Meliora Jewelry Designs founder and a regular visitor to the Cayman Islands created a bracelet in dedication to the Cayman Islands and in doing so chooses to support Feed Our Future as the associated charity. Each piece of jewelry directly supports a location-specific charity, donating 10%.

Kaaboo. The best musical festival to hit the Cayman Islands featured Feed Our Future as one of the three local charities selected to benefit from Kaaboo Kindness.

Saving pennies. The children of **Aureum Re** made it a goal to save their change making a big donation of dollars to Feed Our Future last December.

Our Board of Directors, Supporters and Volunteers

Feed Our Future's Board of Directors is comprised of eight leading members of the community: Stacey VanDevelde, Anna Goubault, Frank Balderamos, Jr., Simone Ross, Anthony Lawson, Tabitha Crowley, Daniel Cummings and Jeana Ebanks.

Above this we applaud and sincerely appreciate our individual supporters and volunteers both young and old who make a personal commitment in some way or form in support of our cause, demonstrating the generosity of those in our community.

"Change your plate.
Change your fate"
